## design • fabricate • install

Duncan Design is a California Certified Small Business based in Santa Rosa, CA approximately 55 miles North of San Francisco. The scope of our work includes sculpture, sets, props, murals, interpretive exhibits, displays and signage. Our theming development serves the amusement, park, museum and retail industries. Our long standing client list includes: Six Flags Discovery Kingdom, Oakland Zoo, Cal-Expo State Fair and Paramount's Great America.

## our process

Emmy Award winning designer Greg Duncan orchestrates our team of outstanding creative talent to combine provocative design and fabrication expertise. From initial concept to fabrication and installation; Duncan Design is a one-stop-shop. Our services include design consultation, murals, wood and foam sculpting, metal fabrication, signs, scenery, prop construction and digital graphic design. We also partner with other design firms that require fabrication and installation services.

## full service • innovation • talent • cost savings

Sensible design is key to successful theming, particularly when your project requires set up, strike and storage functionality. Our clients value our 30 years of experience in the industry and come to us for our hands-on, practical expertise. A well designed project can last for years.

### sets & environmental theming

From outdoor animal shows to interior entertainment; our sets and walk-through environments incorporate all aspects of our full service design, fabrication and installation skills.

### props

Eye catching and user friendly: props are the necessary spice of a successfully themed environment or set. We know the value of durability, safety and wow!

### signage

A full range of materials and skill ensures your product reaches maximum visibility. We offer custom foam and fiberglass sculpting, traditional sign painting, and the full scope of digital design and printing technology.

### interpretive displays & exhibits

For Timelines, Interactives, Touch & Learn and Way-Finding: We work with NAI certified copy writing and research services to ensure accurate, comprehensive messaging.

### murals

Real artists, real paint brushes; Our talent dazzles on commercial buildings, fairs, amusement parks, retail centers, restaurants and private facilities. We also provide digital large format printing services.

### seasonal decor

Our team of seasonal decor experts ensure our installations are efficient, safe and beautiful.
